# Professor Kaushik Basu

## meets the students and colleagues of the University of Florence

Open lecture/meeting after the conferral of the  
Laurea Honoris Causa in MSc. Economics and Development (ED)

*“One reason global  
poverty has been so  
intractable is that it  
remains largely out of  
sight for those who are  
not living it, safely  
somebody else’s  
problem”*

*Prof. K. Basu,  
Professor of Economics at Cornell  
University, Ex-Vice-President and Chief  
Economist of the World Bank*

*Introduced by Prof. Lisa Grazzini (MSc  
ED) and Prof. Mario Biggeri (CL SECI)*
