Double Degree (1/4)

There is a Double Degree Programme offered by the University of Florence (MSc in Economics and Development, curriculum in Development Economics) and the [University of Goettingen](#) (MA in [Development Economics](#)).

Click [HERE](#) for the study program of the double degree.

Students and life - © University of Goettingen

Double Degree (2/4)

It offers the opportunity to spend the first year at the University of Florence and the second year at the University of Goettingen, where students write their master thesis (which is recognized by both Universities). At the end of the Double Degree Programme, students obtain two degrees, one from each University.

The campus and the city – © University of Goettingen

Double Degree (3/4)

The Double Degree program in Economics is offered jointly with the [Master in European Economic Studies](#) at the University of Bamberg and is four semesters long

Click [HERE](#) for the study program of the double degree.

Double Degree (4/4)

Depending on where students start the Double Degree, they will spend the first academic year at the University of Florence or at the University of Bamberg and the second academic year at the University of Bamberg or at the University of Florence. Master theses comply with the regulations of the university where students spend the second academic year and are recognised by the partner university.

CLA – Language Centre

The University of Florence has its own language centre (CLA), where you have the opportunity to attend many courses, included Italian.
